Now your account is more flexible

Hello,

To make your Premium Saver account more flexible, we've made some changes.

Here's what's changed

We've removed the bonus conditions on your Premium Saver account. So whether you take money out or not, you'll earn 0.15% on balances between £25,000 and £1,000,000. And if your balance is between £1 and £24,999 or over £1,000,000, you'll still earn 0.10%.

Before 3rd May 2022

Balance	Interest paid AER/Gross p.a. (variable)	
	Withdrawal made	No withdrawal
£1 - £24,999	0.10%	0.10%
£25,000 - £1,000,000	0.10%	0.15%
