Your Council Tax and Water Services Charge Calculation

Period		Period Charge - Band F			
From	To	Council Tax	Water	Waste Water	Total
01/04/2022	31/03/2023	2,071.23	319.80	371.28	2,762.31
The information on this notice is as at 02/03/2022					0.00
AMOUNT DUE FOR 2022/23					2,762.31

A leaflet with information on all reliefs, reductions and exemptions is available online at www.falkirk.gov.uk/ctguide. It also explains how your Council Tax is spent, how to appeal if you think your bill is wrong, and what will happen if you do not pay your instalments. **If you think your bill is incorrect let us know straight away.**

Your Water and Waste Water services charges from Scottish Water will also be shown on this bill. The charges allow Scottish Water to operate and improve services in communities across Scotland. For more details and to view/download their leaflet visit: www.scottishwater.co.uk/unmeteredcharges. To find out more about Scottish Water, their customer charter and keep up to date with what they are doing in your area visit: www.scottishwater.co.uk; Email: help@scottishwater.co.uk; or call the Scottish Water Customer Helpline free 24/7 on 0800 0778778.

PRIVACY NOTICE Falkirk Council is the data controller of your personal data used in the assessment, administration and collection of Council Tax. This is a requirement under the Local Government Finance Act 1992.

We have a duty to protect public funds. Details are checked within the Council for the prevention of fraud and verification purposes. Information may be shared with other public bodies where the Council is required or permitted to do so by law. You have the right to request access to your personal data and other data protection rights. Further details of your rights (and our full privacy notice) may be obtained from our website at www.falkirk.gov.uk/privacy or email us at data.protection@falkirk.gov.uk
