Thank you for choosing to hold your Account with us. We notice however that you haven't used your Account for a while and we wondered if your circumstances had changed and if there is anything we can do to help.

Whilst the Bank's regulator requires us to send you this notification regardless of balance, we also want to make sure you are fully aware of the funds you hold with us. (The balance quoted above is as at the last working day of the previous month. If you have utilised your account since this time, please ignore this letter.)

#### What happens next

If you do not make a transaction within the next 90 days, our records will continue to show the account as 'inactive' and any debit card(s) held on the account will not be renewed at expiry and any overdraft limit held will be removed. This will help minimise the risk of fraud and help keep your account secure.

The 'inactive' status will have no other impact on the way your account currently operates and it will remain open. For your information, some 'Frequently Asked Questions' are also enclosed.

If you no longer want to keep the account open, please contact your local branch or Relationship Manager.

#### Keep your account active

If you would like your account to remain active then simply make a transaction within the next 90 days.

If you decide to visit your branch or meet up with your Relationship Manager then, as the account has not been used for some time, please bring some form of identification with you. If you have any questions, please contact your branch on 08447 368 368 or your Relationship Manager and they'll be happy to help.

Yours sincerely

Ben Mitchell  
Senior Product Manager
