Part 1 – Scheme Structure and Operation

1 Interpretation

1.1 In the Rules unless the context otherwise requires:

"Act" means Part 4 of the Finance Act 2004 and the schedules relating to that Part.

"Adopting Deed" means the deed by which the Rules were adopted.

"Alternatively Secured Fund" means any part of an Individual Fund which was Unsecured Fund when the relevant individual reached the age of 75 or which became held for the purposes of the relevant *arrangement* after the relevant individual reached the age of 75, or which in the opinion of the Trustees should be so designated to reflect any regulations made under section 283(2) or any designation existing immediately before the Rules took effect.

"Benefit" means an actual or prospective entitlement to any benefit under the Scheme (including any part of a *pension* and any payment by way of *pension*) and "Beneficiary" has a corresponding meaning.

"Dependant" in relation to a Member has the meaning it has in the Act and includes a person who was married to the Member when the Member first became entitled to a *pension* under the Scheme but excludes any person of whose existence the Trustees are unaware having made reasonable enquiries.

"Enhanced Protection" means, in relation to a Beneficiary, the application of paragraph 12 of Schedule 36 in his case.

"Fund" means all contributions, gifts and transfer payments made to and received by the Scheme and any other monies, investments, policies, property or other sums or assets for the time being held by the Trustees upon the trusts of the Scheme. The allocation of any part of the Fund to any Individual Fund or to the General Fund shall be notional and for the purpose of calculating benefits only.

"General Fund" means any part of the Fund which is not an Individual Fund.

"General Trustee" means any Trustee who is not an Independent Trustee.

"HMRC" means The Commissioners or officers of Revenue and Customs or both of them, as the context may require.

"Independent Trustee" means a Trustee who is independent in relation to the Scheme for the purposes of section 23 of the Pensions Act 1995 and whose appointment is expressed to be as Independent Trustee.

"Independent Registered Trustee" means an Independent Trustee who is registered in the register maintained by the Regulator in accordance with regulations made under section 23(4) of the Pensions Act 1995 .

"Individual Fund" in relation to a Member or Dependant means that part of the Fund which the Trustees determine is attributable to him having regard to:

- (i) (in the case of a Member only) any contributions made by him and by any other person in respect of him;
- (ii) (in the case of a Member only) any reduction agreed with the Member as necessary to obtain Enhanced Protection;

- (iii) (in the case of a Dependant only) any part of the Individual Fund of a Member designated as available for the provision of *income withdrawal* in accordance with the Rules following the death of that Member;
- (iv) any transfers made to the Scheme in respect of him;
- (v) any allocation or reallocation of any part of the Fund in accordance with the Rules;
- (vi) any *pension credit* or *pension debit* applicable to him;
- (vii) any income, gains or losses (whether realised or not), fees, costs and expenses borne by the Fund and any actual or prospective liabilities of the Trustees (other than liabilities to pay Benefits) or of the Scheme Administrator attributable to the Fund.

The Trustees may for this purpose determine that a specific asset of the Fund, or a specific proportion thereof, shall be attributed to a specific Individual Fund (either for a fixed period or indefinitely) and may vary or revoke any such determination, but in each case only with the consent of any person whose Individual Fund is affected.

"Member" means:

- (i) a person admitted as a Member in accordance with Rule 16; or
- (ii) a person who was a member (within the meaning of Part 1 of the Pensions Act 1995) of the Scheme immediately before the Rules took effect or (for the purposes of the definition of Dependant only) immediately before his death

and "Membership" has a corresponding meaning.

"Participating Employer" means the Principal Employer or any other *employer* which has been admitted to participation in the Scheme in accordance with Rule 11.2.

"Partner" in relation to an individual means any person who is (or was immediately before the individual's death) his spouse or civil partner.

"Principal Employer" means the person (if any) so called in the Adopting Deed or any other person appointed in accordance with Rule 11.3.

"Regulator" means the Pensions Regulator established by the Pensions Act 2004.

"Relative" in relation to an individual means:

- (i) any ancestor or descendant (however remote) of the individual or of his Partner;
- (ii) any stepchild, brother or sister of the individual (whether of the whole or of the half-blood) and any descendant of any such stepchild, brother or sister;
- (iii) any Partner of the individual or of any person within (i) or (ii) above;
- (iv) any stepbrother or stepsister of the individual

and for these purposes:

- (i) 'descendant' includes adopted persons;
- (ii) the class of Relatives shall be closed at the individual's date of death except that it shall include persons then en ventre sa mere who if they had then been born would have been Relatives.

"Rules" means these rules and any amendments or modifications to them.

"Scheme" means the scheme to which these rules apply.

"Scheme Administrator" means the person or persons responsible for the discharge of the functions conferred or imposed on the scheme administrator of the Scheme by and under the Act.

"Trustees" means the trustees for the time being of the Scheme.

"Uncrystallised Fund" means any part of an Individual Fund which is not Unsecured Fund or Alternatively Secured Fund (and has not been applied towards the provision of any other benefit in accordance with the Rules).

"Unsecured Fund" means any part of an Individual Fund which is designated as available for the provision of *unsecured pension* in accordance with Rule 22 or which in the opinion of the Trustees should be so designated to reflect any regulations made under section 283(2) or any designation existing immediately before the Rules took effect, and which has not become Alternatively Secured Fund.

2 Constitution of Scheme and Fund

2.2 Subject to the powers expressed to be exercisable by any of the Participating Employers, the Trustees may conclusively determine whether or not any person is a Beneficiary and the amount of any Benefit, and may also conclusively determine all questions and matters of doubt arising in connection with the Scheme.

2.3 No person shall have any claim, right or interest in respect of the Fund except under the Rules.

- 2.4 No person shall have any right to enforce any provision of the Rules by virtue of the Contracts (Rights of Third Parties) Act 1999 which he would not have apart from that Act.

5 Trustees: Powers, duties and discretions

- 5.1 The Trustees are granted all the powers, rights, privileges and discretions they require for the proper implementation of the Scheme, including the performance of all duties imposed on them by law.
- 5.2 The Trustees shall not be required to consult, or act upon the wishes of, Beneficiaries and section 11(1) of the Trusts of Land and Appointment of Trustees Act 1996 shall not apply to the Scheme.
- 5.3 The Trustees may delegate or authorise sub-delegation of any of their duties, powers and discretions to any one or more of themselves or of the Participating Employers or such other person or persons or body as the Trustees may from time to time determine and the Trustees are not liable for any loss arising as a consequence.
- 5.4 The Trustees have power:
- to employ and to remunerate any agent or agents (including any of themselves or one or more of the Participating Employers) in the transaction of any business of the Scheme including the payment of Benefits;

5.5 Any *insurance company* or other person dealing in good faith with the Trustees or their delegate may on their written authority remit any sums due to be paid to the Trustees and/or their delegate (subject to deducting and forwarding any tax due under Rule 30) directly to any person or persons to whom corresponding sums may be payable under the Scheme.

5.6 The Trustees have full powers of investment and application of any monies and other assets which form part of the Fund including all such powers which they could exercise if they were absolutely and beneficially entitled to the Fund. In particular and without prejudice to the generality of the foregoing the Trustees may invest or apply all or any part of the Fund in any part of the world:

in deferred or immediate annuity policies, life assurance policies, retirement, endowment or sinking fund contracts or policies each of which are effected with an *insurance company*;

5.7 The Trustees may lend monies to any person upon such security and subject to such terms as they consider fit.

- 5.8 The Trustees may:
- borrow or raise any monies from any person upon such security and subject to such terms as they consider fit, and

- 5.12 The Trustees are entitled to deal with any policies or contracts by way of surrender, exchange, mortgage or otherwise or to make such other arrangements as they think fit.
- 5.13 Any provision made under the power to insure in respect of any Benefit (whether immediate or contingent) may be made by effecting an individual annuity contract or policy in the name of the Beneficiary or in the names of the Trustees or (if the contract or policy was initially effected in the names of the Trustees) by assigning it to the Beneficiary. Each contract or policy must be subject to any terms and conditions necessary to comply with the Pension Schemes Act 1993.

- 5.14 Where any interest in land in England and Wales is to be held as an asset of the Scheme, an Independent Trustee may at its absolute discretion, as an alternative to title being vested in it, require a restriction to be entered on the register preventing any disposal of the interest without its consent.

6 Trustees: Liability, indemnity and remuneration

14.5 The ways described in this Rule are:

14.6 The determination of the Trustees as regards the application of the Fund shall be absolute and final and every Member or other recipient shall accept the amount of his benefit in respect of him in full discharge of all claims against the Fund or the Scheme and shall have no further claim whatsoever.

14.7 If the assets of the Fund include annuity contracts or annuity policies effected in the names of the Trustees or their nominees with any *insurance company* the Trustees shall either:

enter into an arrangement with the *insurance company* to assign them to, or transfer or secure them in trust for, the person or persons entitled to benefit under them, or

assign them to another *pension scheme*

as appropriate.

Part 2 – Membership and Benefits

15 Medical evidence and other relevant information

- 15.1 The Trustees may at any time request any Beneficiary to supply such evidence of age, good health, marital status, rights and entitlements under other *pension schemes* and other evidence and information as they may reasonably require, and may withhold payment of all or part of any Benefits until the evidence or information is received and accepted by the Trustees as correct and sufficient.
- 15.2 Any Beneficiary shall without delay notify the Trustees of any event or fact which affects or may affect his eligibility to participate in the Scheme or his entitlement or prospective entitlement under it.

18 Multiple Individual Funds

- 18.1 The Trustees may at any time treat any existing part of a Member's Individual Fund or any new contribution in respect of a Member as if it were a separate Individual Fund, in which case it:
- shall constitute a separate Individual Fund for the purposes of the Rules (including without limitation this Rule 18.1); but

shall not constitute a separate *arrangement* for the purposes of the Act unless the Member and Trustees expressly agree.

19 Benefits for Member

19.1 Any Uncrystallised Fund of a Member shall:

20 Benefits following death of Member

20.1 On the death of a Member the Trustees shall apply his Individual Fund in such one or more of the following ways as the Trustees in their absolute discretion may determine:

22 Income Withdrawal

- 22.1 Where this Rule applies to an individual's Unsecured Fund or Alternatively Secured Fund, the Trustees shall pay out of that Unsecured Fund or Alternatively Secured Fund to the individual such amounts and at such times as the individual may specify, provided that:

no payment shall be made if it would not qualify as *income withdrawal*; and

the Trustees may impose such restrictions as to timing and amounts of payments as they reasonably consider necessary.

23 Lump Sum Death Benefits (on death before 75)

- 23.1 On the death of an individual who is a Member or Dependant, any part of his Uncrystallised Fund or Unsecured Fund to be applied in accordance with this Rule shall be paid to or for the benefit of (or by way of settlement or otherwise to trustees, including trustees of any discretionary trust, for the benefit of persons including) such one or more of the following and in such proportions as the Trustees in their absolute discretion may determine:

(on the death of a Dependant) any person or body nominated for this purpose by the Member (or if the Member made no nomination, the Dependant);

any person entitled under the individual's will to any interest in the individual's estate; and

the individual's *personal representatives* (but not if the payment would then pass as *bona vacantia*).

- 23.2 Any payment out of an Uncrystallised Fund in accordance with this Rule must be made before the end of the period of two years beginning with the day on which the individual died.
- 23.3 Any payment out of an Unsecured Fund in accordance with this Rule shall be subject to deduction of such amount as the Trustees may determine in respect of a liability to tax under section 206 of the Act.

25 Alternative Application of Individual Fund

- 25.1 The Trustees may at any time at the request of a Member or Dependant (or, where the Member or Dependant is deceased, his *personal representatives*) apply all or any part of his Individual Fund:

to provide any one or more of the benefits permitted by the *pension rules, lump sum rule, pension death benefit rules or lump sum death benefit rule* and not otherwise permitted by the Rules;

to provide benefits of any kind other than a *payment*;

to make *unauthorised payments* of any kind

to or for the benefit of the Member or Dependant or any other person and the Trustees shall not be liable for any loss or tax charge or other liability which the Member or Dependant or any person claiming in respect of him may suffer as a result.

26 Payment of benefits

- 26.1 Any Benefit shall be paid by bank transfer or otherwise as may be agreed with the recipient.

- 26.2 If the Trustees have taken out an insurance policy with an *insurance company* to meet any obligations to pay Benefits then those Benefits shall be payable only if and to the extent that the Trustees are able to recover payment under the terms of the insurance policy.
- 26.3 If and for so long as a person entitled to a Benefit is a minor, or in the opinion of the Trustees unable to act by reason of mental disorder or otherwise, the Trustees may pay or direct the payment of the Benefit to any one or more of his parents, guardians, spouse or other person legally appointed or authorised to receive it on his behalf to be applied for his benefit.
- 26.4 Any payment made under Rule 26.3 shall operate as a complete discharge to the Trustees and they shall not be under any liability to enquire into its application.

- (subject to any restrictions imposed by the Act or by section 37 or 76 of the Pensions Act 1995), make payments to one or more Participating Employers
- or in any other way which in the opinion of the Trustees is consistent with the status of the Scheme as a *registered pension scheme*.

28 Preservation Requirements

- 28.1 Any preservation requirements (within the meaning of section 132 Pension Schemes Act 1993) which apply to the Scheme shall be deemed to form part of the Rules and shall override any other provision of the Rules with which they conflict.

29 Notices

- 29.1 Notices to the Trustees or Scheme Administrator shall be given in writing and shall not be effective until actually received. Any Trustee or Scheme Administrator may waive all or part of these requirements in relation to any notice to be given to him.

30 Taxation and overpayments

- 30.1 Without prejudice to any other provision of the Rules, the Trustees shall be entitled to deduct from any payment made to any person or body a sum equal to any tax to which the Trustees or Scheme Administrator are, or may become, liable as a result of the payment and shall remit the tax to the appropriate office of HMRC. Where the Trustees are uncertain of the extent of any tax liability, they may at their absolute discretion either deduct such amount as they may determine or postpone the payment.
- 30.2 The Trustees shall have absolute discretion as to whether to seek to recover any overpayment of benefits.

31 Assignment, Surrender, etc

31.1 Any Benefit may be assigned, commuted, surrendered or charged and a lien or set-off may be exercised in respect of it only to the extent permitted by this Rule 31 or not prohibited under section 91 of the Pensions Act 1995.

31.2 The Trustees may in their absolute discretion, but subject to the conditions in Rule 31.3, reduce any Benefit (and any corresponding Individual Fund) of a Beneficiary:

(except to the extent that it includes transfer credits other than prescribed transfer credits) for the purpose of enabling a Participating Employer to obtain the discharge by the Beneficiary of some monetary obligation due to the Participating Employer and arising out of a criminal, negligent or fraudulent act or omission by him, or

for the purpose of discharging some monetary obligation due from the Beneficiary to the Scheme and arising out of a payment made in error in respect of the benefit, or arising out of a criminal, negligent or fraudulent act or omission by him, or (if he is a Trustee) arising out of a breach of trust by him.

31.3 The conditions in this Rule 31.3 are that:

the amount of the reduction must not exceed the amount of the monetary obligation in question;

the Beneficiary must be given a certificate showing the amount of the reduction and its effect on his Benefits;

where there is a dispute as to its amount, the reduction must not be applied unless the obligation in question has become enforceable under an order of a competent court or in consequence of an award of an arbitrator or, in Scotland, an arbiter to be appointed (failing agreement between the parties) by the sheriff.

32 Forfeiture, etc

32.1 Any Benefit may be forfeited only to the extent permitted by this Rule 32.

32.2 The Trustees may in their absolute discretion determine that any Benefit of a Beneficiary shall, even if it would otherwise belong absolutely to the Beneficiary, be forfeited if:

the Beneficiary fails to claim it within six years of the date on which it becomes due;

the Beneficiary attempts to assign, charge or alienate it or it otherwise becomes the subject of a transaction or purported transaction which under Rule 31 is of no effect;

the Beneficiary has been convicted of one or more offences, which are committed before the Benefit becomes payable, and are offences under the Official Secrets Acts 1911 to 1989 for which the person has been sentenced on the same occasion to a term of imprisonment of (or to two or more consecutive terms amounting in the aggregate to) at least 10 years, or offences of treason, or other offences prescribed for this purpose;

the Beneficiary has incurred some monetary obligation due to a Participating Employer and arising out of a criminal, negligent or fraudulent act or omission by the Beneficiary and the Participating Employer has requested that this Rule 0 apply and the conditions in Rule 31.3 are met (with the reduction of the Benefit being the amount forfeited).

- 32.3 Any part of an Individual Fund representing an amount forfeited under this Rule 32 shall become part of the General Fund except that, in a case to which Rule 0 applies, an amount equal to the amount forfeited may, if the Trustees so determine, be paid to the Participating Employer.

33 Pension Sharing

- 33.1 The Trustees shall discharge any liability in respect of a person acquiring a *pension credit* in such one or more of the following ways as they in their absolute discretion shall think fit:

admitting that person as a Member in accordance with Rule 16.1 and determining for that person an Individual Fund equal in value to an amount representing that credit;

making a transfer payment in respect of that person in accordance with Rule 0 (as if the reference to Beneficiary included that person and as if the reference to Individual Fund were to an amount representing that credit);

applying an amount representing that credit towards the purchase of an appropriate policy from, or entry into an appropriate contract with, an *insurance company* in respect of that person.

- 33.2 The Trustees may at their absolute discretion reduce either or both of:

the amount representing the credit; and

the Individual Fund subject to the corresponding *pension debit*

by an amount or amounts representing in aggregate all or any part of the costs, charges or expenses incurred in connection with the credit (whether in the provision of any relevant information, the implementation of any relevant order or otherwise).
