Dear Sir/Madam

Company name: P & P CARE HOMES LIMITED

Please find enclosed the certificate(s) of registration relating to your charge(s). For charges created on or after 6th April 2013, certificates include a unique charge code allocated to the charge. You must use this code in any subsequent filings such as satisfaction documentation or in any correspondence with Companies House concerning this charge.

You may be interested to know that you can file most charge documents online via our WebFiling service or via a suitable software package. These services offer improvements over the paper service by providing in-built checks on the data submitted and by enabling a faster, more reliable registration process. Given the 21-day time limit for registering charges, the benefits of the online services will be particularly relevant to presenters of charge documents.
