**RE: Pegasus Property Renovations & Developments**  
**COMPANY NUMBER: 10698019.**

Dear Sir or Madam,

We are in the process of applying for a Company based SSAS registration for the above company. Prior to submitting our request we have been advised that it is imperative that the HMRC's details are up to date that the above company is actively trading as dormant accounts have been filed in the past. I have been informed by the HMRC helpline that it is yourselves that deal with the registration approval of new schemes. Our accountant has previously contacted HMRC to advise that the company is now actively trading. Could you please therefore acknowledge ahead of our application that the records reflect the active trading of the above company and if they have not been updated what department we need to contact to ensure that they are?

Yours faithfully

---
