PREMIER WASTE (UK) PLC RETIREMENTS BENEFITS SCHEME

TRUSTEES' REPORT

The trustees of the Premier Waste (UK) PLC Retirements Benefits Scheme present their annual report and the financial statements for the year ended 5 April 2013.

Trustees

Premier Waste (Uk) Plc Retirements Benefits Scheme is governed by a definitive trust deed and rules dated 18 August 1998 and in particular a Deed of Amendment dated 20 August 2009.

The trustees are responsible for the administration and investment policy of the scheme. The trustees meet quarterly to discuss reports received from the Administrator and to assess the overall investment policy.

The scheme rules contain provisions for the appointment and removal of trustees. The names of the current trustees and advisors are included at the front of this report.

Statement of trustees' responsibilities

The financial statements are the responsibility of the trustees. Pension scheme regulations require the trustees to make available to scheme members, beneficiaries and certain other parties, financial statements for each scheme year which:

- show a true and fair view of the financial transactions of the scheme during the scheme year and of the amount and disposition at the end of that year of the assets and liabilities, other than liabilities to pay pensions and benefits after the end of the scheme year, and
- contain the information specified in the Statement of Recommended Practice 'Financial Reports of Pension Schemes' (revised May 2007).

The trustees have supervised the preparation of the financial statements and have agreed suitable accounting policies, to be applied consistently, making any estimates and judgements on a prudent and reasonable basis.

The trustees are responsible under pensions legislation for ensuring that there is prepared, maintained and from time to time revised a payment schedule showing the rates of contributions payable towards the scheme by or on behalf of the employer and the active members of the scheme and the dates on or before which such contributions are to be paid. The trustees are also responsible for keeping records in respect of contributions received in respect of any active member of the scheme and for monitoring whether contributions are made to the scheme by the employer in accordance with the payment schedule. Where breaches of the schedule occur, the trustees are required by the Pensions Act 1995 to consider making reports to the Pensions Regulator and the members.

The trustees also have a general responsibility for ensuring that adequate accounting records are kept and for taking such steps as are reasonably open to them to safeguard the assets of the scheme and to prevent and detect fraud and other irregularities, including the maintenance of an appropriate system of internal control.

The Pensions Advisory Service (TPAS)

TPAS is an independent and voluntary organisation which gives free advice to members of the public who have a problem about an occupational, personal or stakeholder pension, which they have failed to resolve with the Trustees or administrators of their scheme. TPAS is located at:

Pensions Tracing Service

The Department for Work and Pensions maintains a register of pension schemes. They provide a tracing service which can help you if you have lost track of your pension scheme. For example, you might have lost touch with your scheme when you changed jobs, or if a former employer has changed its name. This could mean that you cannot claim your pensions when you retire.
