Please read this page first

You are required by law to send us a tax return for the year from 6 April 2011 to 5 April 2012. **This tax return cannot be filed online.**

Please start by filling in the Self Assessment tax reference above for the registered pension scheme to which this return relates, the pension scheme name and correspondence address. If you give an adviser's address, please also include their reference for the scheme.

If you want us to do the tax calculation

If you want us to do the tax calculation, you must file the return by the later of **31 October 2012** or **two months** after the date this Notice was given. Otherwise we may not be able to send you a statement in time for you to pay any tax which is due by the later of **31 January 2013** or **three months** after the date this Notice was given.

Calculating the tax yourself

If you want to calculate the tax yourself, you must file the return by the later of **31 January 2013** or **three months** after the date this Notice was given. If we receive the return after that date, you will be liable to an automatic penalty of £100.

Paying any tax the pension scheme owes

Make sure your payment of any tax the pension scheme owes reaches us by **31 January 2013** or you will have to pay interest and possibly a late payment penalty.

Accounts prepared for a 12-month period ending in the year to 5 April 2012

If accounts have been prepared for a 12-month period ending in the year to 5 April 2012, you may if you wish complete the tax return based on the pension schemes' income and gains during the period of those accounts.

Accounts not prepared for a 12-month period ending in the year to 5 April 2012

If your accounts have not been prepared for a period ending in the year to 5 April 2012, complete the return for income and gains in the year ended 5 April 2012. For example, the pension scheme's accounting year end may have been changed to 5 April from another date, and this results in a period dropping out of account.

If this is the case, complete this return based on the entire period starting on the day after the end of the accounting period covered on the 2010-11 tax return and ending on 5 April 2012, even if this means using two sets of accounts.

Do not send us the pension scheme's accounts. If we need to see them, we will ask you for them later.

Any tax return may be checked. Please remember that there are penalties for supplying false information.

If you need help

Please refer to SA975 *How to fill in your Tax Return for Trustees of Registered Pension Schemes*, which can be found at www.hmrc.gov.uk/worksheets/sa975.pdf. If the SA975 does not answer your questions, please phone the number shown above.

Changes to details

Please correct any information above that is out of date.

For example, if the following has changed:

- the name of the pension scheme, or
 - the name of the trustee and address
- please strike through and write the correct details.

Income for the year ended 5 April 2012

Please use blue or black ink to fill in the return. Round down to the nearest pound income and capital gains, and round up tax credits and tax deductions. **Do not** include pence.

Pages 2 and 3 of this return include the most common income types found in registered pension schemes, and situations which may apply to such schemes. If your pension scheme received any income which is taxable, but not covered on pages 2 and 3, please return this income on page 4 at 'Other taxable income'.

If you are completing this return for a 12-month period of account ending in the year from 6 April 2011 to 5 April 2012, you must do so on a consistent basis. If you wish to change from the accounting date basis to the strict fiscal basis then the change in basis should not result in there being periods which drop out of account.
