Dear Ms Stratton

**Priory Gate SSAS – PSTR 00775566RG**

Thank you for your letter of 5<sup>th</sup> March 2015 and application for Relief at Source.

I am returning this to you as I am unable to process it. This is because the information you have provided is incomplete. The following points require attention:

- You have neither submitted an online application or a fully completed paper form APSS103. You have only submitted form APSS103A, which is a supplementary form.
- The separate list of Authorised Signatories does not show original specimen signatures. This document is in addition to the Trustee Resolution.

Please send your fully completed application to the address shown at the top of this letter.

Thank you for your assistance in this matter.

Yours sincerely

**D Bass**  
Administration Officer

### Important information about compensation arrangements

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors – including most individuals and small businesses – are covered by the scheme. In respect of deposits, an eligible depositor is entitled to claim up to £85,000. For joint accounts each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000). The £85,000 limit relates to the combined amount in all the eligible depositor's accounts with the bank, including their share of any joint account, and not to each separate account. For further information about the scheme (including the amounts covered and eligibility to claim) please call us on 0845 366 6333 or refer to the FSCS website [www.FSCS.org.uk](http://www.FSCS.org.uk).
