

Use this form to provide specimen signatures for those persons authorised to sign relief at source repayment claims on contributions to registered pension schemes. This form can be used for either new applications to register your scheme to operate relief at source on contributions or for changes to existing signatories for relief at source claims. Remember to send us the Board's Resolution together with the original specimen signatures for the authorised signatories.

8 Specimen signatures

For each person named at Part 5 we will need a specimen signature.
