? Your questions answered

<< What is a cubic metre?

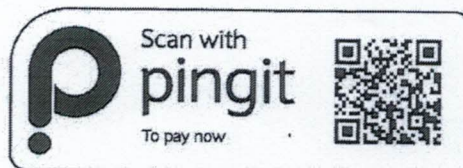

One cubic metre is 1,000 litres (220 gallons). This is equivalent to approximately 500 kettles, 12 baths or 30 standard showers.

<< What is a standing charge?

A standing charge contributes to the cost of maintaining the water network. This is approved by Ofwat, the water regulator.

14th February 2018

Customer Number: 7109408-6

Dear Customer

Paid 15/3/18

Water Supply Payment Reminder
Outstanding Water Supply Balance: £69.16

We're writing to you today because we don't seem to have received your payment yet.

If you have made this payment to us in the last ten days, we're sorry for sending you this reminder. There's no need to contact us, as your payment and this letter seem to have crossed in the post! Check your balance, online anytime, at www.affinityforbusiness.co.uk.

If you haven't paid yet, please make full payment today – there are lots of simple ways to do so.

- Visit us online at www.affinityforbusiness.co.uk
- Call our automated payment line on 0345 350 3675
- Or speak to one of our team on 0345 357 2424

You can also find other easy ways to pay on the back of this letter.

If we don't receive payment from you today, we'll have to take further action, which may result in one of our Debt Recovery Officers visiting your premises and a fee being added to your account. It may also result in the disconnection of your water supply.

Please do call us immediately on **0345 357 2424** so that a member of our friendly, helpful, experienced team can discuss the amount you owe and easy, convenient ways to pay.

Thanks for taking the time to read this important letter. We look forward to hearing from you.

Eamonn Treanor
Head of Customer Engagement

Switch to the easy way to pay

Many of our customers choose to pay by Direct Debit. It's quick, simple and convenient. To sign up today, please complete our online form at www.affinityforbusiness.co.uk
