Climate Change Levy (CCL)

If you currently have a CCL exemption it will be detailed on your invoice and you can see this as proof of your CCL.

If there are any changes, please send your CCL exemption certificate in writing or by email – details displayed overleaf.

CCL does not apply to domestic use, charitable non-business use, or where the reduced rate of VAT applies to the supply (see below).

If you wish to declare a partial or full CCL exemption you must ensure we have a Customs and Excise validated CCL PP11 Form. Customs and Excise rules state that CCL exemption can only be applied from the date at which the supplier receives the valid PP11 form.

Value Added Tax (VAT)

You may be able to pay the reduced rate of VAT if:

–at least 60% of your energy is used for charitable non-business use, or

–you are using energy for domestic purposes.

If you have declared, or wish to declare that a percentage of your gas or electricity is used for domestic purposes, you must ensure that we are in receipt of a valid VAT declaration certificate in order for you to benefit from this reduction.

'De Minimis'

If your average monthly consumption of energy is lower than the 'de minimis' threshold, then you are eligible to be billed at 5% VAT and exempt from the Climate Change Levy on your Gas and Electricity bills. Your average monthly usage must be no more than:

- 1,000 kWh of business electricity
- 4,397 kWh of business gas

Gas Emergencies

What to do if you smell gas:

- Open doors and windows for ventilation
- Do not use matches or naked flames
- Do not turn any electrical switches on or off
- Do not use mobile phones
- If it is safe to do so, turn the gas off at the meter unless the meter is in the cellar/basement
- If an electric security entry lock/phone is fitted, open the door by hand

Report any gas escape to the National Gas Emergency Number on **0800 111 999**

Electricity Emergencies

If you have a power cut, please call **105**

Change of Details?

If any of your personal details are incorrect on any correspondence you receive from us, please contact us so we can update our records.

Your Direct Debit Usage Review

To ensure that any Direct Debit amount is in line with usage, we will review your Direct Debit at least annually. If there are any changes, we will contact you.

If you think your energy usage may significantly change for any reason (such as an increase in your workforce), please contact us, as this may affect the amount you need to pay.

The Direct Debit Guarantee

- The Guarantee is offered by all banks and building societies that accept instructions to pay Direct Debits
- If there are any changes to the amount, date or frequency of your Direct Debit the organisation will notify you (normally 10 working days) in advance of your account being debited or as otherwise agreed. If you request the organisation to collect a payment, confirmation of the amount and date will be given to you at the time of the request
- If an error is made in the payment of your Direct Debit, by the organisation or your bank or building society, you are entitled to a full and immediate refund of the amount paid from your bank or building society
- If you receive a refund you are not entitled to, you must pay it back when the organisation asks you to
- You can cancel a Direct Debit at any time by simply contacting your bank or building society. Written confirmation may be required. Please also notify the organisation

Meter Readings

Non-Half Hourly meters are read annually by an appointed operative. If we are unable to obtain a reading, you may be asked to provide one to us.

You can do so at any time, by calling our automated meter reading line on **03452 093 750**

When you call us, a recorded message will ask you for the details we need. If you have any difficulty or you would prefer to speak to one of our team, call the Business Customer Service Team.

Half Hourly meters are read remotely by an appointed data collector. They will send us your consumption data which we will use to bill you.

Where accurate consumption data cannot be obtained, we will bill based on estimated usage until your actual consumption is received.

Moving Premises?

As soon as you know you are moving, you can take us with you or terminate your contract with us. Please call our Business Customer Service Team on **03330 156 662** or complete and send us the online form available at www.utilita.co.uk/business/help/resources

In your termination notice, please make sure you include the following information:

- Your business name
- The supply address of the property you are leaving
- The date of your move
- Your meter reading
- Your forwarding address
- Your email address
- Your contact telephone number

If you move without telling us, you may get billed for electricity or gas used by the next occupier until we are notified of the new owner or occupier and received proof of the change.

Would you like to make a complaint?

- Please contact us to let us know you have a problem and we will try to resolve it
- Our aim is to respond to our customers within 5 working days, and aim to resolve your complaint within 10 working days of receiving it
- If you are still not satisfied, you can have your complaint reviewed by a Business Customer Service Team Leader, who will give you a detailed response within 5 working days

Our Complaints Handling Procedure can be found at www.utilita.co.uk/business/help/codes-of-practice

If you are not satisfied with Utilita's final response or your complaint is outstanding for more than 8 weeks, then you may have the option of referring your complaint to the Energy Ombudsman. The Ombudsman may take your case where you meet the definition of a Microbusiness customer.

You will be classified as a Microbusiness customer if you have an annual electricity consumption of not more than 100,000 kWh, or gas of not more than 293,000 kWh; or fewer than ten employees (or their full-time equivalent), and an annual turnover or annual balance sheet total not exceeding €2million.

You can also get independent information on energy efficiency. If you would like to find out more, then please speak with the Energy Saving Trust by calling on **03001 231 234**

Security

If you have not already done so, you may wish to provide us with a password for security purposes. This further increases security, both when we are

talking to you by phone or should anyone from Utilita need to visit your business. Utilita normally use the existing meter reading company for your area, so when an agent calls they may not necessarily wear a Utilita uniform.

Always ask anyone visiting your business for their identification (and your password where you have provided one to us). There will be a phone number on their identification card, if in doubt call the number to verify the agent's identity. Alternatively, call us on **03330 156 662** and we will verify if an agent is operating in your area. If you still doubt the identity of an agent, do not let them into your property.

Difficulties Paying your Bill

We know that sometimes it can be financially difficult to pay a bill. Please contact us as soon as possible so we can help. Don't wait for the reminder, the sooner you tell us that there is a problem, the sooner we can try to help.

Free Debt Advice

If you feel you are experiencing problems with debt, please contact the Business Debtline, the free debt charity, who can help you address, manage and budget. For more information, call them on **0800 197 6026** or visit their website for quick, easy online tests www.businessdebtline.org
