Dear Georgina

PortfolioInvestor Account – R Bragman Ltd Pension Fund
Account Number 07-00-66 74306358

Thank you for your letter dated 16 August 2012 enclosing the Bank Authority Instruction Form and requesting duplicate account statements to be sent to yourselves.

The statements for this account are produced monthly and sent to the accounts correspondence address as below:-

R Bragman Ltd Pension Fund
Ferndale
Kingston Hill
Kingston Upon Thames
KT2 7JH

Unfortunately we are unable to automatically produce two copies each month and send them to different addresses.

Normally if we produce duplicate statements, there is a charge of £5.00 per page of statement unless we are replacing a statement lost in the post.

It may be a better alternative for them to provide you with photocopies, alternatively we can amend the correspondence address for the scheme but we would need correct authorisation from the trustees of the scheme to do so.

Should you still wish me to go ahead with your request for Duplicate statements on a monthly ongoing basis I will need a signed letter of authority agreeing to accept the charge from the trustees.

Yours sincerely
