## About this notice

You are required by law to make an end of year return by 19 May each year or (if you were a Real Time Information employer or pension payer during 2012–13) a real time return of relevant payments made to each of your employees on or, if any, after their final normal payday in the tax year. As you have not made your return on time you are liable to a penalty. This notice gives details of that penalty. If you have an agent or professional adviser you should show them this notice immediately. If you do not understand why you have received this notice please ask me about it. My details are shown above.

## How the penalties are worked out

Penalties are £100 for each month (or part-month) for every 50 (or up to 50) employees.  
You have been charged penalties from 20 May 2014 to 19 September 2014.  
This means that the statutory penalties that you must pay are £400.00.

## Payment

You should pay the amount shown on or before 05 November 2014, using the payslip below. The notes overleaf give more information about *Paying HMRC*.
