Dear Customer

**Bank of Ireland UK Account Number: 902100 70277507**

I am writing to let you know that your Fixed Term Deposit account has matured with a balance of £102,687.89.

We have renewed your Fixed Term Deposit for the same period of time in accordance with your terms and conditions. The rate that will apply to your account for the new term will be 0.30% Gross\*/0.30% AER\*\*. Your account will mature on 18th February 2019.

A Summary Box which outlines the key features of your Fixed Term Deposit is enclosed.

**Please read the Summary Box carefully. As our rates can change daily, the rate which applies to your account may be different to the one quoted in your maturity notification.**

If you change your mind about reinvesting with us, let us know in writing and we'll cancel your Fixed Term Deposit. If you do want to cancel, there will be no charge provided you tell us within 14 days of your Fixed Term Deposit being opened.

**Please note the cancellation period of 14 days will be extended to 21 days, if there has been a change to the rate since you received your maturity notification.**

**Can I close, withdraw or lodge funds after the permitted cancellation period?**

After this date, closure during the fixed term is only allowed in exceptional circumstances and will be subject to a breakage charge, please refer to your terms and conditions for full details. It is not possible to make lodgements during the term of the account. If you want to increase the amount saved you can do this on the maturity date or you can open a second account.

**Any questions?**

If you have any questions about your account, please call in to your local Bank of Ireland UK branch or call us on the number provided above and we will be happy to help.

Yours sincerely

Bank of Ireland UK  
UK Savings

\*The gross interest rate represents the fixed rate payable. \*\*AER stands for Annual Equivalent Rate and illustrates what the interest would be if the interest rate was paid and compounded each year. As every advertisement for a savings product, which quotes an interest rate, will contain an AER you will be able to compare more easily what returns you can expect over time. The AER rates shown here are illustrative of what the rate payable would be if it were paid on an annual basis.
