Beware of Pension Scams

Falling foul of a scam could mean you lose some or all of your money. See pension-scams.com or fca.org.uk/scamsmart or visit our website at www.embarkpensions.co.uk for more information.

Covid-19

Regrettably in times like this, scams and frauds appear which are often both sophisticated and seek to exploit you. Watch out for scams related to the Coronavirus (Covid-19). These scams take many forms and could be about pension transfers and / or high-return investment opportunities. They may also involve claims to release your pension monies to pay the bills that have been created by Covid-19.

Beware of investments / opportunities that appear to be too good to be true - they usually are, and you could lose all your money. If your pension transfer request has come from one of the following please inform us immediately:

- an offer out of the blue ie you have had no previous contact with this person or organisation;
- originally came from an advert on social media or a paid for / sponsored advert online;
- originally from an email from a sender you do not already know;
- you feel pressured or hurried into making this decision to transfer;
- a firm cold called you; or
- you have given personal details out over email or in a phone call without first verifying who the caller was or who sent the email.
