Dear Georgina,

Thank you for your email which has been passed to me as I used to look after this Scheme.

Unfortunately, our records do not show the title numbers of the properties involved. I took over this Scheme following the retirement of a colleague. The records I inherited were incomplete and I had sought to clarify the position on them with the client. Unfortunately, my requests for this information went unanswered and remained so at the time we were removed as a trustee.

Following some discussions with the then incumbent financial adviser during this period though, I had established that the following properties were in the Scheme (I only have addresses and no further details):

Clement Street

Darnall

Sheffield

S9 5AP

Doctor Lane

Sheffield

S9 5AP

I can only suggest liaising with the client for more details on this as the above is all the information we have regarding the properties.

I am sorry I cannot be of further assistance.

Kind regards

Chris Kendall Dip PFS
