Dear Brad

Re: Rima Freight Services

Please find enclosed the certified copies of passports and utility and bank statements by way of identity verification for the trustees of the above mentioned scheme.

I hope that this will be adequate for your purposes, but if you require anything further, please let me know.

I would mention that I will be absent from the office for the next couple of weeks, so if there are any matters that need urgent attention, please would you address them to one of my colleagues in my absence.

With kind regards I remain,

Yours sincerely

Richard Pake
