### Never move money out of your account for security reasons

Criminals impersonate bank staff. They also pretend to be the police and other trusted organisations. They may say that your account is at risk and to keep your money safe you need to move it to a new account. If this happens, it's always a scam.

A genuine organisation will never rush you into taking action. Find out more at [Santander.co.uk](http://Santander.co.uk) and then use the search option to find "fraud updates"
