News and information

From 4 July 2024 we'll no longer be part of the Standards of Lending Practice, regulated by the Lending Standards Board (LSB).

Membership of the LSB is voluntary for the banking and lending industry.

Our withdrawal won't impact the level of consumer protection we provide to you, and there are no changes to how you use or manage your accounts.

Never move money out of your account for security reasons

Criminals impersonate bank staff. They also pretend to be the police and other trusted organisations. They may say that your account is at risk and to keep your money safe you need to move it to a new account. If this happens, it's always a scam.

A genuine organisation will never rush you into taking action. Find out more at Santander.co.uk and then use the search option to find "fraud updates"
