- (i) in the case of a Member, ***drawdown pension***;
- (ii) in the case of a Survivor, ***dependants' drawdown pension*** or ***nominees' drawdown pension*** or ***successors' drawdown pension***, as appropriate.

14.5.1 purchase of an Annuity from, or entry into any other appropriate contract with, an ***insurance company*** on any terms;

14.5.2 payment of a lump sum permitted by the ***lump sum rule***;

14.5.3 payment of a transfer in accordance with Rule 12.1.2.

14.6 If the assets of the Fund include annuity contracts or annuity policies effected in the names of any of the Trustees or their nominees with any ***insurance company***, they shall either:

14.6.1 enter into an arrangement with the ***insurance company*** to assign them to, or transfer or secure them in trust for, the person or persons entitled to benefit under them, or

14.6.2 assign them to another ***pension scheme***

as appropriate.

## **Part 2 – Membership and Benefits**

### **15 Medical evidence and other relevant information**

- 15.1 The Trustees may at any time request any Beneficiary to supply such evidence of age, good health, marital status, rights and entitlements under other *pension schemes* and other evidence and information as they may reasonably require, and may withhold payment of all or part of any Benefits until the evidence or information is received and accepted by the Trustees as correct and sufficient.
- 15.2 Any Beneficiary shall without delay notify the Trustees of any event or fact which may affect his entitlement or prospective entitlement under the Scheme.

### **16 Admission to Membership**

- 16.1 The Trustees may in their absolute discretion admit as a Member:
- 16.1.1 any *employee* of a Participating Employer; and
- 16.1.2 any other person whose admission is in the opinion of the Trustees consistent with the Scheme's status as an *occupational pension scheme* and a *registered pension scheme*.
- 16.2 Admission to Membership shall be subject to such requirements and on such terms, whether generally or in any particular case, as the Trustees may in their absolute discretion determine.
- 16.3 A Member who, by virtue of Rule 12 (Transfers between Schemes) or Rule 13 (Buying Out Benefits) or otherwise, ceases to have any Individual Funds within the Scheme, shall cease to be a Member.

### **17 Contributions**

- 17.1 Subject to Rule 17.3, any person may with the consent of the Trustees make contributions to the Fund in such form (whether money or any other contribution of money's worth) of such amounts and at such times as the Trustees may in each case agree.
- 17.2 Any contribution shall be allocated:
- 17.2.1 to such one or more new or existing Individual Funds in respect of such one or more Members as the contributor may direct at or before the time when it is made; or
- 17.2.2 in the absence of any such direction, to the General Fund.
- 17.3 Any contribution by or in respect of a Member which would cause loss of Enhanced Protection or Fixed Protection for that Member shall not form part of the Fund or in any other way become held for the purposes of the Scheme but shall instead be held by the Trustees on trust for the relevant contributor absolutely, unless before the making of that contribution the Trustees and the Member have agreed explicitly in writing that this Rule 17.3 shall not apply.

## 18 Multiple Individual Funds

- 18.1 The Trustees may at any time treat any existing part of a Member's Individual Fund or any new contribution in respect of a Member as a separate Individual Fund, in which case it:
- 18.1.1 shall constitute a separate Individual Fund for the purposes of the Rules (including without limitation this Rule 18.1) and the Rules shall be applied to each Individual Fund separately; but
  - 18.1.2 shall not constitute a separate **arrangement** for the purposes of the Act unless the Member and Trustees expressly agree.

## 19 Benefits for Member

- 19.1 The Trustees shall apply the Uncrystallised Fund of a Member in such one or more of the following ways and to such extent (subject to Rule 23.1 and any other restrictions imposed by or under the Rules) as the Member may request:
- 19.1.1 designation as available for the payment of Drawdown;
  - 19.1.2 (in connection with such designation) payment of a **pension commencement lump sum**;
  - 19.1.3 (at the discretion of the Trustees) payment of an **uncrystallised funds pension lump sum**;
  - 19.1.4 (at the discretion of the Trustees) provision of Scheme Pension or an Annuity
- and in each case at such time or times as the Member may request, but not earlier than the Member reaches his **normal minimum pension age** (or any **protected pension age**) or (if earlier) the **ill-health condition** is met.

## 20 Benefits following death of Member

- 20.1 On the death of a Member or a Survivor the Trustees shall apply the Member's or Survivor's Individual Fund for the benefit of such one or more of his Eligible Recipients and in such proportions and at such time or times and in such one or more of the ways set out in Rule 20.2 as the Trustees in their absolute discretion may determine (subject to Rule 23.1 and any other restrictions imposed by or under the Rules).
- 20.2 The ways referred to in Rule 20.1 are:
- 20.2.1 payment of a **lump sum death benefit** to the Eligible Recipient or to the trustees of any trust (including any other **pension scheme** or any discretionary trust) for the benefit of persons including that Eligible Recipient;
  - 20.2.2 designation as available for the payment of Drawdown (but only for an Eligible Recipient to whom the Act permits Drawdown to be paid on that occasion); and
  - 20.2.3 provision of Scheme Pension (but only for a Dependant);
  - 20.2.4 provision of an Annuity (but only for an Eligible Recipient to whom the Act permits an Annuity to be paid on that occasion); and

- 20.2.5 (if the Eligible Recipient is unconnected) reallocation within the Scheme to any new or existing Individual Funds held in respect of that Eligible Recipient in their capacity as a Member.
- 20.3 The Trustees shall have power at any time:
- 20.3.1 to declare or otherwise establish any trusts for the purposes of Rule 20.2.1, on such terms as the Trustees in their absolute discretion consider appropriate (and for the avoidance of doubt Rule 10 shall apply to any costs, charges or expenses incurred in doing so); and
- 20.3.2 to admit any individual as a Member for the purposes of a reallocation within Rule 20.2.5.
- 20.4 For the purposes of Rule 20.2.5, an Eligible Recipient is unconnected if, immediately before the death of any individual to which the reallocation is attributable, he was not connected with that individual for the purposes of section 172B.
- 20.5 Any nomination of an individual by the Trustees in connection with Drawdown (including any designation of funds or any other selection or determination or other act which in the opinion of the Trustees amounts to or implies such nomination) shall count as a nomination by the Scheme Administrator for the purposes of the Act, and the Scheme Administrator irrevocably authorises the Trustees for this purpose.
- 20.6 If a Dependant, for whom Drawdown or Scheme Pension was being provided following the death of a Member, ceases to be a Dependant, the Trustees shall apply the Dependant's Individual Fund in accordance with this Rule 20 as if it were the Member's Individual Fund being applied on the death of the Member (but not in accordance with Rule 20.2.1 unless payment of a ***lump sum death benefit*** is permitted by the Act).
- 20.7 The Trustees shall not be obliged to consider for the purposes of this Rule 20 any Eligible Recipient of whose eligibility they are unaware having made reasonable enquiries.
- 20.8 To the extent that the Trustees are unable to apply any Individual Fund which the preceding provisions of this Rule 20 require them to apply, they shall allocate it to the General Fund.

## **21 Scheme Pension**

- 21.1 The provisions of this Rule 21 shall apply to any Scheme Pension.
- 21.2 The Scheme Pension may only be paid if the individual (or, in the case of a ***dependants' scheme pension***, the individual or the relevant Member) had an opportunity to select an Annuity instead.
- 21.3 The amount of each payment of Scheme Pension shall be deducted from, and shall not exceed, the amount for the time being of the Scheme Pension Fund.
- 21.4 The rate and frequency of payment shall be determined by the Trustees and reviewed by them from time to time (and at least once in each consecutive period of 3 years) PROVIDED ALWAYS THAT:
- 21.4.1 the Trustees shall have regard to such factors as they in their absolute discretion may consider to be relevant, including but not limited to the present amount of the

Scheme Pension Fund, assumptions as to future investment performance and the duration of the pension and any other factor significantly affecting the sustainability of the rate;

21.4.2 payment shall be made at least annually;

21.4.3 in the case of a Member, any reduction in the rate may be made only if it applies to all the Scheme Pensions being paid from the Scheme or if it would otherwise not cause the Scheme to be treated as making an **unauthorised payment** to the Member.

21.5 Subject to Rule 21.6, the Scheme Pension shall cease on the death of the individual.

21.6 At the commencement of a Scheme Pension for a Member, the Trustees may at the request of the Member determine that it is to continue to be paid until the later of the death of the Member and the end of a term certain specified by the Trustees and not exceeding ten years.

21.7 Where a Member's Scheme Pension continues to be paid after his death:

21.7.1 it shall not be paid to the Member's estate but shall be paid to such one or more Eligible Recipients and in such proportions as the Trustees in their absolute discretion may determine from time to time during the remainder of the term certain (and, if no other person exists to whom payment may be made under this Rule 21.7, to a **charity** selected by the Trustees); and

21.7.2 Rule 20 shall only apply to the Member's Scheme Pension Fund at the end of the term certain.

## **22 Annuities: Miscellaneous**

22.1 Any payments under a **lifetime annuity** which continue to be made after the relevant Member's death and are expressed to be payable to, or at the direction of, the Trustees (or in any similar terms), shall be paid in accordance with Rule 21.7 as if the amounts were Scheme Pension.

22.2 Any **annuity protection lump sum death benefit** payable in relation to a **lifetime annuity** and expressed to be payable to, or at the direction of, the Trustees (or in any similar terms), shall be paid in accordance with Rule 20 as if it were the Relevant Member's Individual Fund.

## **23 Payment of Benefits: Restrictions and Deductions of Tax**

23.1 The Trustees may impose such restrictions as to timing and frequency and amounts of payments, of Drawdown or any other Benefit, as they may think fit having regard to the proper and efficient administration of the Scheme.

23.2 Without prejudice to Rule 6.3 or any other provision of the Rules, the Trustees shall be entitled to deduct from:

23.2.1 any payment made to any person or body (including any allocation or reallocation within the Scheme of any amount for the benefit of any person or any other act which may be deemed to be a payment for any purpose of the Act); or

23.2.2 any part of the Fund to which the payment relates

a sum equal to any charge to tax to which the Trustees or Scheme Administrator are, or may become, liable as a result of the payment (whether by virtue of the payment being a ***scheme chargeable payment*** or otherwise). Where the Trustees are uncertain of the extent of any tax liability, they may at their absolute discretion either deduct such amount as they may determine or postpone the payment.

## **24 Payment of Benefits: General**

- 24.1 Any Benefit shall be paid by bank transfer or otherwise in monetary form, but with the consent of the relevant Beneficiary may instead be paid by way of transfer of all or any part of any asset of the Fund or of any interest in such asset or any other transfer of money's worth.
- 24.2 If the Trustees have taken out an insurance policy with an ***insurance company*** to meet any obligations to pay Benefits then those Benefits shall be payable only if and to the extent that the Trustees are able to recover payment under the terms of the insurance policy.
- 24.3 If and for so long as a person entitled to a Benefit is a minor, or in the opinion of the Trustees unable to act by reason of mental disorder or otherwise, the Trustees may pay or direct the payment of the Benefit to any one or more of his parents, guardians, spouse or other person legally appointed or authorised to receive it on his behalf to be applied for his benefit. Any such payment shall operate as a complete discharge to the Trustees in respect of that Benefit and they shall not be under any liability to enquire into its application.

## **25 Alternative Application of Individual Fund**

- 25.1 The Trustees may at any time at the request of a Member or Survivor (or, where the Member or Survivor is deceased, his ***personal representatives***) apply all or any part of his Individual Fund to make:
- 25.1.1 any other payment authorised by the Act and not otherwise permitted by the Rules;  
or
- 25.1.2 (to the extent consistent with Rule 2.1) any ***unauthorised payment***
- in each case to or for the benefit of the Member or Survivor or any other person, and in place of all or any part of any Benefit that would otherwise have been payable from such Individual Fund.

## **26 Application of the General Fund**

- 26.1 The Trustees may at any time apply all or any part of the General Fund to:
- 26.1.1 meet any amounts described in Rule 10 (Costs of the Scheme) not already met in accordance with that Rule;
- 26.1.2 create or augment any Individual Fund or otherwise provide new or increased Benefits, either immediate or prospective, for any person;
- 26.1.3 (subject to any restrictions imposed by the Act or by section 37 or 76 of the Pensions Act 1995), make payments to one or more Participating Employers

or in any other way which in the opinion of the Trustees is consistent with the status of the Scheme as a ***registered pension scheme***.

## **27 Preservation Requirements**

- 27.1 Any preservation requirements (within the meaning of section 132 Pension Schemes Act 1993) which apply to the Scheme shall be deemed to form part of the Rules and shall override any other provision of the Rules with which they conflict.

## **28 Notices**

- 28.1 Notices to the Trustees or Scheme Administrator shall be given in writing and shall not be effective until actually received. Any Trustee or Scheme Administrator may waive all or part of these requirements in relation to any notice to be given to him.

## **29 Recovery, Forfeiture, Assignment, Surrender etc**

- 29.1 The Trustees shall not be obliged to seek to recover any overpayment of Benefits but may do so at their absolute discretion, whether directly or by set-off or otherwise, but subject in each case to the remainder of this Rule 29.

- 29.2 Any Benefit may be forfeited, reduced, assigned, commuted, surrendered or charged and a lien or set-off may be exercised in respect of it only:

29.2.1 as permitted by this Rule 29; or

29.2.2 in any other circumstances either permitted or not prohibited under section 91 or section 92 of the Pensions Act 1995.

- 29.3 The Trustees may in their absolute discretion determine that all or any part of any Benefit shall, even if it would otherwise belong absolutely to the relevant Beneficiary, be:

29.3.1 reduced (subject to the conditions in Rule 29.4) for the purpose of discharging some monetary obligation due to the Scheme or to a Participating Employer from the Beneficiary and arising out of a criminal, negligent or fraudulent act or omission by him, or

29.3.2 reduced (subject to the conditions in Rule 29.4) for the purpose of discharging some monetary obligation due from the Beneficiary to the Scheme and arising out of a payment made in error in respect of the Benefit, or (if he is a Trustee) arising out of a breach of trust by him;

29.3.3 forfeited if the Beneficiary fails to claim it within six years of the date on which it becomes due;

29.3.4 forfeited if the Beneficiary attempts to assign, charge or alienate it or it otherwise becomes the subject of a transaction or purported transaction which under section 91 of the Pensions Act 1995 is of no effect; or

29.3.5 forfeited if the Beneficiary has been convicted of one or more offences, which are committed before the Benefit becomes payable, and are offences under the Official Secrets Acts 1911 to 1989 for which the person has been sentenced on the same occasion to a term of imprisonment of (or to two or more consecutive terms

amounting in the aggregate to) at least 10 years, or offences of treason, or other offences prescribed for this purpose.

29.4 The conditions in this Rule 29.4 are that:

29.4.1 the amount of any reduction must not exceed the amount of the monetary obligation in question;

29.4.2 the Beneficiary must be given a certificate showing the amount of the reduction and its effect on his Benefits;

29.4.3 where there is a dispute as to its amount, the reduction must not be applied unless the obligation in question has become enforceable under an order of a competent court or in consequence of an award of an arbitrator or, in Scotland, an arbiter to be appointed (failing agreement between the parties) by the sheriff; and

29.4.4 no reduction in respect of a monetary obligation due to a Participating Employer shall be applied to any transfer credits other than prescribed transfer credits.

29.5 Any part of an Individual Fund representing an amount forfeited or reduced or surrendered in accordance with this Rule 29 shall become part of the General Fund except that, in the case of a monetary obligation due to a Participating Employer, an amount not exceeding the amount forfeited may, if the Trustees so determine, be paid to the Participating Employer.

29.6 Terms given a specific meaning for the purposes of sections 91 to 95 of the Pensions Act 1995 shall have the same meaning where they are used in this Rule 29.

## **30 Pension Sharing**

30.1 The Trustees shall discharge any liability in respect of a person acquiring a ***pension credit*** in such one or more of the following ways as they in their absolute discretion shall think fit:

30.1.1 admitting that person as a Member in accordance with Rule 16.1 and determining for that person an Individual Fund equal in value to an amount representing that credit;

30.1.2 making a transfer payment in respect of that person in accordance with Rule 12.1.2 (as if the reference to Beneficiary included that person and as if the reference to Individual Fund were to an amount representing that credit);

30.1.3 applying an amount representing that credit towards the purchase of an appropriate policy from, or entry into an appropriate contract with, an ***insurance company*** in respect of that person.

30.2 The Trustees may at their absolute discretion reduce either or both of:

30.2.1 the amount representing the credit; and

30.2.2 the Individual Fund subject to the corresponding ***pension debit***

by an amount or amounts representing in aggregate all or any part of the costs, charges or expenses incurred in connection with the credit (whether in the provision of any relevant information, the implementation of any relevant order or otherwise).
