Date:  
**23 September 2016**

Customer reference number

**52023 484 001 1602 3**

**Meter Serial No.**  
10MU056515

Here's your new Second Quarter 2016/17 bill for the  
above property.

You'll notice that you have been billed based on an  
Automated Meter Reading (AMR). We're able to take  
this reading without the need to enter your property or  
access the meter directly. We do this by reading the  
radio signal from the meter by standing in the vicinity.

**WaterSure**

Domestic customers who receive certain benefits or  
tax credits, have three or more children or a member of  
the household suffers from a specific medical condition  
may be eligible for our special tariff.
