There are several ways you can pay us.

You will find guidance on how to pay on the back of the payslip. We recommend you pay us electronically, because it is more secure.

You can use the payslip below if you prefer to pay at your bank, at a participating Post Office or by post.

In the Amount due box on the payslip, show the total amount of Income Tax and net National Insurance contributions which are due from you for the period shown above. Include in the Income Tax figure, any sub-contractor and Student Loan deductions.

If you are posting your payment, please detach the payslip and send it to your Accounts Office in the envelope we have sent you.

We will charge interest on amounts not received by the due date following the end of the tax year to which they relate. For information on due dates, please see the back of this form.

Login on the *Welcome to Online Services* page and select *Direct Debit payment* from the *Main menu*.

If you are a new user you will first have to register and enrol for the appropriate service.

2. Direct Payment

Using the Internet or phone, provide your bank or building society with the following information to make a Direct Payment:

The Post Office also accept payment by Debit Card.

6. Post

If you use this method:
