Outstanding PAYE: £6859.28

Our records show you haven't paid the PAYE liability shown above.

This amount may include specified charges which are amounts we've estimated to be due when we've not received all of your monthly submissions. We do this under Regulation 75A The Income Tax (Pay As You Earn) (Amendment) Regulations 2012. Specified charges are based on previous filing and payment history.

If you haven't yet done any of the following, please now:

- send in the year-to-date figures for all your employees
- make a claim for amounts such as statutory payments
- make any necessary changes to information you've already given us
- tell us if you haven't paid anyone for a tax period

The outstanding amount includes interest calculated to date. We charge interest daily until we receive payment in full. We can also add late payment penalties which increase the total amount you have to pay. For more information, go to

www.gov.uk/guidance/what-happens-if-you-dont-pay-payee-and-national-insurance-on-time

Please pay what you owe now. When paying late you need to use the 13-character reference shown above and add 4 numbers for the year and the month. The quickest way to pay is electronically. For details of how to pay, go to www.gov.uk/pay-payee-tax

If you've paid recently thank you, there's no need to contact us.
