---

The increased risk of cybercrime and fraud through email interception and fraudulent alterations to bank details means it is important to check that you are sending funds to the correct bank account. When sending bank details by email we will always use an attachment such as this and will never include them in the body of an email message. We will never use phone or email to inform you of a change in our bank account details. We advise that you contact us to confirm bank details prior to making a payment.
