Dear Sir/Madam

Policyholder: Mr A Simpson
Policy number: 9210488

As authorised by the above policyholder, we confirm a telegraphic transfer payment of £66,721.01 has been made to your bank. The transfer value split is attached.

If the amount settled is lower than that originally quoted, this will be due to either a reduction in the bid price of the fund(s) in which the policy is invested, the application of charges, a reduction in the final bonus paid, or a combination of these.

This transfer arises from a personal pension registered under Chapter 2 of part 4 of the Finance Act 2004. The transfer is to be applied as a contribution in respect of a contract effected under the relevant Finance Act(s), for which we understand you hold the appropriate proposal.

We are not aware of any pension sharing order restrictions or bankruptcy proceedings on this policy at present.

Please note that we do not complete transfer application forms but I trust that the information provided in this letter is sufficient for you to accept the transfer payment.

If you have any questions about this or there's anything else we can help you with, please call our Customer Service Contact team on the number above or email enquiries@aegon.co.uk.

Yours sincerely
