

Hi Emily,

Please find attached a simple income and expenditure statement for Springfield Pension Scheme 2018-2019.

The only asset held, apart from cash funds, is a 35% share in ownership of commercial premises as in previous years.

Please let me know if you need further information.

I am still anxious to place some of the cash funds on interest-bearing deposit and await response to my email of 8th November as to this.
