Dear Merle

St Johns Abingdon Limited Pension Scheme

Thank you for your recent email regarding the above scheme.

I understand that the scheme return has been completed as much as possible.

I can confirm that I have cancelled the scheme return. The scheme return will still show as outstanding until tomorrow, as our system takes overnight to update.

Please note; if there is not an outstanding scheme return on the scheme, scheme updates can still be made on Exchange via 'update scheme details'

If you have any further questions, please feel free to contact us.

Kind regards

Dear Sirs,

I refer to the scheme return for the above pension scheme, which is due for submission.

As per the instructions received from you over the phone, we would like to notify you that we have completed all sections of the return that the system would accept. The issue was with the valuation of the scheme, as the system would not accept nil values in the scheme assets and contributions section. We were advised to leave this section blank and notify you when the remaining items have been completed so that you can mark the return as submitted / not due on your systems.

I would be grateful for a confirmation once this has been done.

Kind regards,

Merle Oper
