Dear Sir or Madam

Pension Transfer

We wrote to Mr Beauchamp on 25 November 2016 asking for further information about their request to transfer to the Power System Services Ltd Pension Scheme previously St Johns Abingdon Ltd Pension Scheme, PSTR Number 00821745RZ. We also wrote to HMRC about the scheme registration status.

We have now considered the information provided and, following the application of our due diligence checks, can advise we will not be proceeding with the proposed transfer.

We have written to Mr Beauchamp to confirm this.

Yours faithfully,
