Dear Mr Beauchamp

Pension Transfer

Thank you for completing our questionnaire. You asked us to continue to consider your pension transfer application to the Power System Services Ltd Pension Scheme, formerly the St Johns Abingdon Ltd Pension Scheme, (the Scheme). PSTR 00821745RZ.

We have now considered the information provided, and, following the application of our due diligence checks, we will not be proceeding with your proposed transfer.

Our concerns

As part of our checks we made a enquiry to HM Revenue & Customs (HMRC) as to the registration status of the Scheme. HMRC has responded to us by advising that they can only provide confirmation of registration status where both of the following apply:

- The transferee scheme is registered with HMRC and is not subject to a deregistration notice.
- At the present time the information held by HMRC does not indicate a significant risk of the Scheme being set up or being used to facilitate pension liberation.

HMRC have told us one or both of these conditions do not apply, therefore we are unable to make a pension transfer to the Scheme.

Please note your right to transfer your benefits to another registered scheme of your choosing, which is able to satisfy our due diligence, is not affected.
