Dear Mr Terry

Pension transfer

In line with guidance across the industry from Her Majesty's Revenue and Customs (HMRC) and The Pension Regulator (TPR), we have introduced extra due diligence procedures to our transfer process.

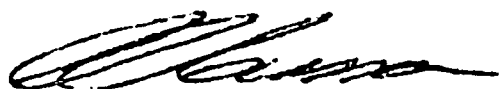

Following the application of our due diligence process, we can advise that we will not be proceeding with the proposed transfers. Please see the attached schedule for all policies this applies to.

We have advised all plan holders who have outstanding requests to transfer to this scheme of the stance we have taken.

We can assure you that this decision is made with the sole intention of safeguarding our plan holders' long-term financial interests.

If you have any questions, please call us on **0114 208 8703**.

Yours sincerely

Andy Curran
Pensions and Investments Director
