Dear Paul,

TCA SSAS - Undercover Rock Limited

As you may be aware our mutual client is looking to secure a pension scheme loan of £75,000 in favour of Undercover Rock Limited. This loan will be secured via a first charge registered against the company and will be in the form of a Floating Charge.

Can you please confirm that there are no current charges registered against the company and that in your professional opinion the company has enough security to support this loan?

Please also confirm that the company has current net assets to the value of £75,000.

Please also provide us with the last set of completed accounts.

Thank you for your assistance in this matter, which is much appreciated.

Kind regards

Yours sincerely

Brad Davis
