Hello Georgina,

Thanks for the form, I've attached the signed document and saved it as a PDF. All funds should go to my wife Heather Murray who lives at the same address as me.

We moved to [87 Loanfoot Avenue, Glasgow, G13 3DU](#) on April the 30th 2018, I sent a letter quite some time ago notifying yourselves?

I've received the bank paperwork from Lisa and should get that done tomorrow.

Thanks

William
