

Resolution of the Trustees of Televideo SSAS

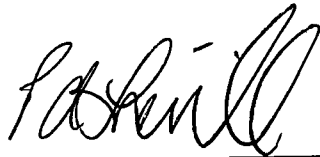

Date 24<sup>th</sup> April 2018

Background

The Trustees wish to purchase land at Avenue Farm, Old Hay Lane, Sheffield S17 3AT which will be held within the scheme.

Resolution

1. It is the intention of the Trustees that the land will be rented on a commercial basis to a tenant providing income to the SSAS
2. It is understood that after an environmental search there is an elevated chance of flooding within the area. The Trustees do not feel that this poses a significant risk to the property or the scheme
3. The Trustees consent to the land being held within the scheme.
