Levy

The Pensions Regulator is the statutory regulator of work-based pension schemes in the UK, authorised to collect the following levies:

- General levy
- the Pension Protection Fund (PPF) Administration levy

on behalf of the Department for Work and Pensions; and

- Pension Protection Fund Initial levy
- Pensions Compensation Board levy
- Fraud Compensation levy

on behalf of the Pension Protection Fund.

The amount payable by a scheme will depend on the size of its membership. The Fraud Compensation Levy is set by the Board of the Pension Protection Fund with the other stated levies set by the Secretary of State for Work and Pensions.

The General levy

The General levy covers the cost of running of the following organisations:

- The Pensions Regulator (activities as conferred in the Pensions Act 2004);
- The Pensions Ombudsman; and
- The Pensions Advisory Service.

The Pension Protection Fund Administration levy

This levy covers the ongoing administrative costs of the Board of the Pension Protection Fund's activities as conferred in the Pensions Act 2004. Further information about all the levies can be found on our website: www.thepensionsregulator.gov.uk/exchange/levy.aspx

What is the Fraud Compensation levy?

Under the Pensions Act 2004, the Board of the Pension Protection Fund is responsible for providing the compensation to occupational pension schemes where the sponsoring employer is insolvent and where the scheme suffers a loss that can be attributable to dishonesty.

This responsibility was inherited from the Pensions Compensation Board on 1 September 2005. The assets are held in a ring-fenced fund called the Fraud Compensation Fund (FCF). To meet claims from the FCF, a Fraud Compensation levy can be charged upon eligible occupational pension schemes.

Waivers and queries

A waiver from the levy may be claimed if:

- there is no employer involved with the scheme or the employer is insolvent; and
