## Fees Explained

Unplanned Overdraft daily fee - We'll charge you £5.00 if, at the end of any day, your account remains over your planned Overdraft limit. You'll stop incurring fee as soon as any money you have paid into your account clears and this brings your account back into your planned Overdraft limit (or back into credit if you got a planned Overdraft facility).

Planned Overdraft daily fee - We'll charge you £1.00 if, at the end of any day, your account is overdrawn up to £2,500.00. We'll charge you £2.00 if, at the end of any day, your account is overdrawn over £2,500.00. You'll stop incurring the daily fee as soon as your account is back in credit.

Other fees for special services are detailed in the Reward Payments and Account Fees leaflet, previously provided.

If switching to us, different rates and fees may apply.
