**Dear MR M STRAFFORD**

National Insurance number WL 37 17 10 A

### This is to tell you your tax code(s) for 6 April 2019 to 5 April 2020

Your tax code is used by your employer(s) and/or pension provider(s) to work out how much Income Tax to collect from your pay or pension. We send them a separate tax code notice.

This tax code should match those shown on any future payslip(s) or pension advice slip(s) you receive.

Please check the information below. If it's right, **you don't need to do anything**.

If you think your tax code is wrong, you can check and let us know of any changes online, go to [gov.uk/personal-tax-account](http://gov.uk/personal-tax-account)

### Improving our tax system

By making automatic adjustments to your tax code, any changes in the tax you pay will be reflected in your income or taxable pay, as soon as your employer(s) and/or pension provider(s) starts to use your new code. More customers should therefore end the year having paid the right amount of tax.
