Dear Mr Brunsdon

SIPP REFERENCE NUMBER: 012848ABRU
Member Name: Mr M Brunsdon

I thank you for your recent request to transfer the above plan to UK Registered Pension Scheme.

The current fund value is £140,437.59, this value is not guaranteed, and in the case of any self invested assets the values used will be those at the last annual valuation.

I'm enclosing the following forms to enable the transfer to proceed:

- **SIPP Transfer Request Form**
 - to be completed and signed by the member
- **Receiving Scheme/Policy Declaration**
 - to be completed and signed on behalf of the receiving scheme

To qualify as a recognised transfer, we can only pay the transfer value to another Registered Pension Scheme. We are therefore unable to proceed until we are in receipt of both documents.

As the SIPP holds 39.41% of the property Unit 3, Love Lane Ind Est, we are unable to transfer part of a property in specie to another provider. All members with a share in the property must transfer to the same provider, unless the value of the member's share is realised prior to transfer, by means of the property sale or ownership change.

If you have any queries, please contact the team on the details below.

Yours sincerely

Richard Mason
Pensions Team
Namulas Pension Trustees Limited

IMPORTANT INFORMATION ON TRANSFERS

Cash Only Transfers

On receipt of all our requirements we will instruct the surrender of all investments held in the plan. When all sale proceeds have cleared in the trustee bank account, we will aim to forward the transfer value to the receiving scheme within 5 working days.

In Specie Transfers

On receipt of all our requirements we will surrender any investments you have instructed to go in cash, and arrange the in specie transfer of assets once it has been confirmed that the assets are capable of assignment and can be accepted by the receiving scheme. Any investment sale proceeds will remain in the trustee bank account until we receive written confirmation that the in specie transfer of all assets has been completed. At this point, we will aim to forward the cash value to the receiving scheme within 5 working days.

Property Transfers

Property transfers are handled by our own dedicated Property Team who can be contacted on 01462 447014.

Partial Transfers of Large Cash Balances

Depending on the type of assets you have chosen to hold under your policy, some assets may be ready to transfer quicker than others. If there is a large cash balance on your policy bank account, which you would like to transfer to your new provider before the other assets are sold or reassigned, we will require an additional written instruction to proceed. For SIPP cases, an additional charge will apply for this service.

Please note; the length of time it will take to process the transfer will depend on how long it takes any external Investment Companies to process the investment sales and/or reassign the assets. In cases where a property transfer is requested it will depend on the time taken by the appointed solicitors to arrange the transfer.

It can take some time to complete an in specie transfer of assets as this is a complex process. If your new provider has set a deadline, we will aim to meet this but cannot guarantee to do so.

Charges

Please note:

- All work will be carried out in accordance with the current SIPP Fee Menu, for all Standard SIPPs (this does not apply to our Discretionary Managed Plans).
- External investment administrators may charge additional fees to re-register or sell assets.
- There will also be Legal Fees applicable for property transfers.

OVERVIEW OF THE TRANSFER PROCESS FOR RECEIVING SCHEMES

On receipt of all our requirements we will action any investment sales requested, value the fund and complete the documents necessary to transfer each asset in specie.

When all monies have been received and we have cleared funds, we will forward any cash transfer to the receiving scheme within 10 working days, together with a letter confirming the transfer details. We will also forward the paperwork to transfer each asset to the respective investment companies by recorded delivery, with copies to the receiving scheme.

After 5 working days we will contact each investment company to confirm receipt of the transfer documents. Please note that it is then the responsibility of the receiving scheme to ensure that the transfer of each asset is completed.

If you are unable to accept the cash transfer until confirmation has been received that each asset has been re-registered, please let us know.

Property Transfers

If we are instructed to arrange the in specie transfer of one or more properties, we will not be able to finalise the transfer and forward any cash until we have received confirmation that the property transfer has completed.
