Minimum Payments

If you are unable to pay the minimum payment, please contact us as soon as possible.

Minimum Repayment - the greater of the total of all interest and default fees charged on your statement plus 1% of the new balance shown on your statement plus any arrears carried over from your previous statement, or £25 plus any existing arrears carried over from your previous statement (or your full balance if it's less than £25), or the amount you owe over your credit limit including any over limit fees.

The way in which payments are allocated can make a significant difference to the amount of interest you will pay until the balance is cleared completely.
If you make the minimum payment of £ 25.00 and it reaches us on the due date of 11 Aug 2023, your estimated interest payment next month is £ 38.09. Please refer to overleaf for further details.
