Dear Sir/madam

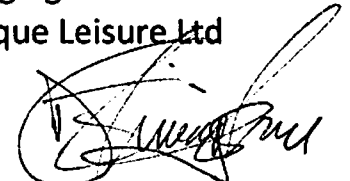

This letter is to confirm that although Boutique Leisure Ltd was admitted to the pension scheme back in January 2009 it was not and is not capable of providing benefits to Mr John Tierney as he is merely a participator in the firm, not an employee.

Mr John Tierney became a shareholder in the firm as at 1st May 2009.

At no time was there any contractual commitment to provide pension benefits to Mr John Tierney and Boutique Leisure Ltd never became a sponsoring employer for purposes of the regulations.

Kindest regards
