Dear Ms Salmon,

Further to my letter dated 09/01/2018, I now have received information regarding asset value for April 2017.

The Post Office is £576,000.00

The land at Three Crosses is £90,000.00

The land at Dyffryn, Bryncoch is £90,000.00

This gives a total asset value as at April 2017 of £756,000.00

Regarding the other information that I was unsure you had received, on the 30th April 2014 the land at Three Crosses was put into the pension fund for £90,000.00 and on the same date the land at Dyffryn, Bryncoch was put into the pension fund for £90,000.00 and taken out of the pension fund on the same date was the pub at Riverside Walk and moved to me personally for £180,000.00.

Trusting this information is in order for SASS April 2017.
