Could you pay less?

Your Personal Projection

Based on our best estimate of your annual usage and your current prices, including VAT and any discounts, we estimate your Personal Projection of costs for the next 12 months will be **£3,599.27**.

Our cheapest similar tariff

Good news - you're already on our cheapest Evergreen tariff. We'll let you know at least once a year if this changes. However paying by Direct Debit, you could save **£40.00** a year.

Our cheapest overall tariff

By switching to **Fix & Shop Feb 17** (subject to eligibility criteria and limited availability), paying by Direct Debit and choosing paperless billing, you could save **£211.90** a year.

Please note that switching tariffs may involve changing to different terms and conditions, so always check first. Prices may increase in future.

Remember - it might be worth thinking about switching your tariff or supplier.

See page 2 for more information about your tariff and the last page for how we can help you pay less.
