Dear Sir/Madam

Your Reference/Policy Number: WL179211B
Clients Name: Mr Paul Anthony Tookman

Following an audit on the clients above policy, the calculation used to work out the maximum annual income withdrawal amount was incorrect.

At the date the client started to take income following an additional payment we calculated the maximum annual income available as £5,766.38.

The correct maximum annual income that was available at the point of transfer on 3/7/2011 was actually £6,428.67.

Please ensure your records are amended to reflect the revised amount. The client has been informed of the new income level.

If you have any questions, please contact our helpdesk on 08456 410410.

Yours sincerely

Anthony Scammell
