About this notice

*EXPLANATION
WHY THIS WAS NOT DONE
INTIME*

You are required by law to make an end of year return by 19 May each year. As you have not made your return by 19 May 2011 you are liable to a penalty. This notice gives details of that penalty. If you have an agent or professional adviser you should show them this notice immediately.

If you do not understand why you have received this notice please ask me about it. My details are shown above.

How the penalties are worked out

Penalties are £100 for each month (or part-month) for every 50 (or up to 50) employees.

You have been charged penalties from 20 January 2012 to 19 May 2012.

This means that the statutory penalties that you must pay are £400.00.

Payment

You should pay the amount shown on or before 27 June 2012, using the payslip below. The notes overleaf give more information about *How to pay*.
