Statement of Trustees Responsibilities of the Pension Scheme

The non-statutory accounts are the responsibility of the trustees. The trust deed and rules of the scheme (the 'Trust Deed') require the trustees to prepare accounts for each scheme year which:

- show a true and fair view of the financial transactions of the scheme during the scheme year and of the amount and disposition at the end of the scheme year of its assets and liabilities, other than liabilities to pay pensions and benefits after the end of the scheme year, and
- contain the information specified in the relevant financial reporting framework applicable to occupational pension schemes and the Trust Deed.

In discharging the above responsibilities, the trustees are responsible for selecting suitable accounting policies, to be applied consistently, making any estimates and judgments on a prudent and reasonable basis, and for the preparation of the accounts on a going concern basis unless it is inappropriate to presume that the scheme will not be wound up.

TRUSTEES' REPORT

YEAR ENDED 31 MARCH 2021

The trustees also have a general responsibility for ensuring that adequate accounting records are kept and for taking such steps as are reasonably open to them to safeguard the assets of the scheme and to prevent and detect fraud and other irregularities, including the maintenance of an appropriate system of internal control.

The trustees are responsible under pensions legislation for securing that a payment schedule is prepared, maintained and from time to time revised showing the rates of contributions payable towards the scheme by or on behalf of the employer and the active members of the scheme and the dates on or before which such contributions are to be paid. The trustees are also responsible for keeping records in respect of contributions received in respect of any active member of the scheme and for adopting risk-based processes to monitor whether contributions are made to the Scheme by the employer in accordance with the payment schedule. Where breaches of the schedule occur, the trustees are required by the Pensions Acts 1995 and 2004 to consider making reports to The Pensions Regulator and the members.
