Dear Ms Best

Our client: Simon Best

Find enclosed a copy of the sealed Consent Order with Pension Sharing Annex attached that has now been approved by the Judge.

In order to implement the pension share you need to inform the pension scheme where you want your pension credit paid to. We are serving the sealed pension sharing order on the scheme but they will not be able to complete the implementation process until they have your instructions as to where to pay the pension credit.

We would be grateful if you would let us know when you have done this so that we can draw matters to a conclusion.

We confirm we are now applying for Decree Absolute to be pronounced.

Yours faithfully
