If you do not pay off the full amount outstanding, we will allocate your payment to the outstanding balance in a specific order, which is set out on the reverse of this statement. The way in which payments are allocated can make a significant difference to the amount of interest you will pay until the balance is cleared completely.

Minimum payments

If you make only the minimum payment each month, it will take you longer and cost you more to clear your balance.

Account Summary

Credit Limit	£ 9,500.00
