Interest

Credit Interest is calculated daily on the cleared credit balance and is paid monthly if applicable (this is not paid on all accounts, eg, Basic Bank Account, HSBC Passport, Bank Account and HSBC Advance). Debit interest is calculated daily on the cleared debit balance of your account, it accrues during your charging cycle (usually monthly) and is deducted from your account following the end of your charging cycle.

The following references regarding debit cards only apply to personal customers, commercial customers please refer to your terms and conditions.

Your debit card

When you use your card abroad, your statement will show where the transaction took place, the amount spent in local currency and the amount converted into sterling. We also monitor transactions to protect you against your card being used fraudulently.

Unless you agree that the currency conversion is done at the point of sale or withdrawal and agree the rate at that time, for example with the shopkeeper or on the self-service machine screen, the exchange rate that applies to any non-sterling debit card payments (including cash withdrawals) is the VISA Payment Scheme Exchange Rate applying on the day the conversion is made plus an Exchange Rate Adjustment, which is currently 2.75% of the applicable VISA Payment Scheme Exchange Rate. Details of the current VISA Payment Scheme Exchange Rates can be obtained from the card support section of hsbc.co.uk or by calling us on the usual numbers. We will deduct the payment from your account once we receive details of the payment from the card scheme, at the latest, the next working day.

Some cash machine operators may apply a direct charge for withdrawals from their cash machines and this will be advised on screen at the time of withdrawal.

Recurring Transaction

A recurring transaction, sometimes called a continuous payment authority, is a series of payments collected with your agreement from your card by a retailer or supplier (for example, insurance cover). This is an agreement between you and the retailer. The Direct Debit Guarantee does not cover these transactions. If you wish to cancel a recurring transaction you can do this with the retailer or us. We can cancel the payment, however contacting the retailer allows you to also deal with the agreement you have with them and you can make other arrangements for the payment or cancellation of the goods or services. If you cancel with the retailer, we recommend you keep evidence of the cancellation. Once you have cancelled with the retailer or us, if the retailer does try to collect any future payments under the recurring transaction agreement, we will treat these as unauthorised. If we miss any of the cancelled transactions, please contact us.

The following references apply to all customers**Dispute resolution**

If you have a problem with your agreement, please try to resolve it with us in the first instance. If you are not happy with the way in which we handled your complaint or the result, you may be able to complain to the Financial Ombudsman Service. If you do not take up your problem with us first you will not be entitled to complain to the Ombudsman. We can provide details of how to contact the Ombudsman.

The Financial Ombudsman Service does not apply to customers of our branches in the Channel Islands and Isle of Man, but you could be entitled to refer your complaint to the Financial Services Commissions in Jersey or Guernsey or the Financial Services Ombudsman Scheme in the Isle of Man. Please contact your branch for further details.
