To whom it may concern,

RE: V & P Property Pension Fund

We have enclosed the following:

- PP Application - New member trustee to be added
- Mr Paul Davey's ReAssure Annual Account statement

I have enclosed the above application with the addition of a second member trustee to the scheme. In addition, I have also enclosed an account statement for an additional transfer for Paul Davey - we have requested authority on the clients account so we will then provide his transfer documentation once received.

Furthermore, Victoria is also doing an additional transfer, but again, authority has been requested and the transfer documentation will be sent in due course.

Please read through the information and let us know if any details are incorrect.

Yours Sincerely

Adam
