Invoice for roof repair at 66 Bath Road Ashcott Ta7 9qj.

After an inspection on the roof there was a number of roof tiles broken which has also ripped the felt allowing water to enter the property.

There were a number of broken tiles under the ridge broken.

Ridge tiles and roof tiles were removed along with old felt and battens.

New breathable felt was installed and new 2x1 graded batten installed.

Ridge tiles were then reinstalled with a dry ridge system.

All rubbish was disposed of at Glastonbury skips waste management.

Scaffolding was used to carry out this job which had been invoiced separately and for you to pay direct to web scaffolding.

Cost of roof work including materials = £1980.00

Cost of disposal of rubbish = £140.00

Total cost = £2120.00
